The
Problem

Wasted Free SPACE

Introduction

Some people have extra storage space on their house, apartment, on their garage or some other places that are wasted since they are not put to use.

Or they do not know HOW to put it to use and wants to monetize it.

Wat u lookin at?

The
Problem

Some are in Need of SPACE

Events, Temporary Storage, Local Warehouse

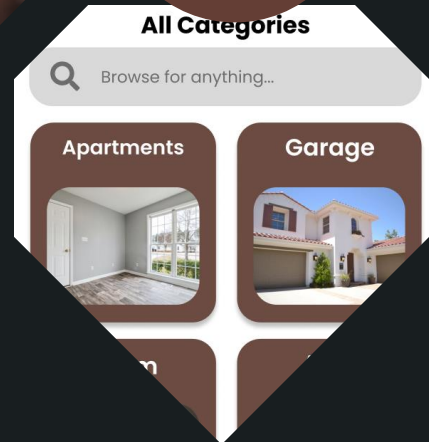

While some people are in need of free space, may it be temporary or for a small business in need of a small warehouse.

WARE SPACE

A mobile application for listing and finding
free spaces!

LISTING & FINDING

This is intended to pair
up those looking for free
space and those with
free space available
through a mobile
application.

LOCATION PINNING

Quickly browse free
spaces based on
location. This can be
viewed on a map built
inside the application.

DASHBOARD

Easily manage lists of
items and tenants
through a dashboard.

WARE SPACE
